PERPETUALITE ACADEMIC CODE OF HONOR

I am a Perpetualite guided by the philosophy that "Character Building is Nation Building." I promise to abide by the rules and regulations of the University and commit to:

1. Always be honest in academics. I will never cheat in examinations, quizzes and other scholastic activities nor try to manipulate my online school accounts;
2. Always be conscientious in coming up with my course requirements. I will never plagiarize nor pass off one's work as mine;
3. Always be prudent in my association with my classmates and school friends. I will never divulge exam or quiz questions nor ask them to share theirs for the purposes of obtaining a passing mark;
4. Always be diligent in my studies. I will never procrastinate nor ask any other person to do my course requirements for me;
5. Always be respectful. I will never be discourteous to my professors, school administrators, classmates and schoolmates and will always give them due respect as my fellow Perpetualites.

These, I shall abide by. These, I shall live by. I am a Perpetualite. I acknowledge that my professors may determine if I committed a transgression against the Perpetualite Academic Code of Honor and may elevate it to the Prefect of Discipline for verification and appropriate proceeding when so warranted.
